Trips depart from Beal’s Lobster Pier in Southwest Harbor, Maine. Our trips are very popular and we recommend going online to acadiafishingtours.com to RESERVE and CONFIRM YOUR RESERVATION. Departure times occasionally change for weather and tide.

**ENJOY A MAINE LOBSTER ON US**

Not only do we offer a great half-day or three quarter-day trips for you and your friends and family but we also haul lobster traps for each person on the boat (weather and time permitting). Legal lobsters are divided or raffled, yours with our compliments! Yes, that’s right: Most likely a **free lobster** with your trip!

Pulling lobster traps also shows our guests how lobsters are caught on our Maine coast.

Take your lobster to Beal’s Lobster Pier, 182 Clark Point Road, Southwest Harbor where, for a small fee, they will cook your lobster and you can dine on their shoreside deck.
